*Hiring a new
employee?*

Hiring a new employee can be tricky;

***advertising your job listing,
sorting through applications,
conducting interviews, testing,
and paperwork.***

Sure, it's probably not the worst thing on your to-do list, but wouldn't it be nice to have someone come alongside you to help carry the load? Or better yet, someone to completely take care of it for you?

***The partner
you need!***

As a full service staffing and payroll agency we work
with your existing HR representative to

{ *customize solutions* }

that best fit YOUR business. We handle the “heavy lifting”
that comes with on-boarding a new employee
including testing, training and filing paperwork.

With competitive rates and

{ *contracts as low as 30 days.* }

our goal is to make sure that the employment demands of your
business never get in the way of your business's success.

***We staff careers
not just jobs***

Successful businesses are supported by successful employees—that's why we focus on providing applicants that are the best fit for your business, not just the job they're performing.

We provide staffing support for a wide variety of businesses and an even wider variety of positions including

***CDL Drivers, Nurses, Supervisors,
Administrative Professionals,
Maintenance Techs, Welders,
Electricians, and more.***

**Regionally Connected
Locally Invested**

Your business is nothing without the support of your community, which is why we are members of numerous Chambers of Commerce across South Georgia. We also contribute heavily to local civic and charitable organizations. Our commitment to your business doesn't stop with your business. We are already

{ investing in your community, }

your customers, and your employees.

**Staffing and payroll
solutions made easy**

Since 2005 we have been assisting businesses just like yours
to be the best that they can be.
